

EC Safety Data Sheet

Prepared according to Commission Directive 91/155/EC

265 - 0720 Cervical wax petrol

Y E T I
GmbH

1. Substance/preparation and company designation

1.1 Designation of substance or preparation

265 - 0720 Cervical wax petrol

1.2 Company designation

YETI Dentalprodukte GmbH

Industriestrasse 3, D-78234 Engen, Tel. +49 77 33 / 94 10 0

2. Composition / Information on ingredients

Compound of microcrystalline and paraffin hydrocarbon waxes

3. Possible hazards

Fire hazard - keep away from open flames and hot objects.

4. First aid measures

In case of eye contact, immediately rinse eyes thoroughly and consult a physician.

In case of minor burns, locate your nearest doctor or infirmary.

5. Fire fighting measures

Do not use water for fire fighting!

Suitable extinguishing agents: Carbon dioxide, foam and extinguishing powder

Hand protection: Wear protective gloves when working with hot wax.

Eye protection: Wear protective goggles when working with hot wax.

Body protection: Wear adequate work clothes when working with hot wax.

EC Safety Data Sheet

Prepared according to Commission Directive 91/155/EC

265 - 0720 Cervical wax petrol

9. Physical and chemical properties

State of aggregation: Solid

Color: Petrol

Odor: Typically light

Density: approx. 0.9 g / cm³

Water solubility: Insoluble

Flash point: above 230 °C

10. Stability and reactivity

Thermal decomposition: None when used as intended

Hazardous decomposition products: Nothing unusual

Hazardous reactions: None when used as intended

11. Toxicological information

Kindness to skin and mucosa: good

Irritations: None to date

LD 50 (rat) > 15,000 mg / kg (value obtained from literature)

12. Ecological information

Water hazard class: 0 (self-classification)

13. Information on disposal

According to the currently valid statutory regulations and the regulations of the responsible disposal authority

14. Transport information

To the best of our knowledge, the product is not currently subject to any special transport control.

15. Regulatory information

To the best of our knowledge, the product does not contain any hazardous substances or preparations

for the purpose of the Ordinance on Hazardous Substances or the corresponding EC Directive.

16. Other information

The information contained in this Safety Data Sheet reflects our knowledge and experience at the specified point of time. Its flawlessness, reliability and completeness are not warranted by the publisher.
